

# KIILTO MASA

## MULTIFUNCTIONAL FIX AND SEALANT

Kiilto Masa is a one-component, silyl modified adhesive sealant for gluing and sealing different types of mouldings and rails, construction boards, metals, glass fiber and different types of plastics in ship, boat and transport industries. Also suitable for sealing movement joints exposed to mechanical wear.

- Colours matched with Ruukki's colour chart (RR 21, RR 23, RR 29, RR 32 and RR 33)

	white
	light grey (RR 21)
	dark grey (RR 23)
	black (RR 33)
	brown (RR 32)
	oak
	beige
	red (RR 29)

For productional reasons it is possible that the colours in this chart differ slightly from the actual mortar colours.
